

The Career and Technical Education Technical Assistance Center of NY (CTETAC of NY) is hiring

## ***Field Team Associate, NYC***

The CTETAC is looking for an experienced CTE professional to join our dynamic team! The Regional Field Associate, NYC will support the **New York City region of New York State**, working hand-in-hand with the CTE Staff of the NYC DOE, NYSED, and the CTETAC team, with services provided to both secondary and post-secondary CTE recipients.

### **Required:**

- a minimum of three years' experience in secondary and/or post-secondary education, with a minimum of one year of CTE program experience.

### **Preferred:**

Familiarity with

- NYS Board of Regents initiatives related to career and technical education
- Perkins accountability measures
- Commissioner's Regulations
- State and Federal program and fiscal compliance

Suitable candidate(s) in total work experience should reflect expertise inclusive of secondary and post-secondary CTE. This position will directly support NYC DOE initiatives and requires an understanding of career and financial management (CFM), digital literacy, work-based learning, college credits in high school, industry credentialing, and graduation pathways. Priority is given to former building or district leaders and those familiar with NYC CTE processes, protocols, and initiatives.

Preferred candidates will reside in NYC. However, strong candidates from outside NYC will be considered, provided frequent travel to/from NYC is feasible.

Regional Field Associate, NYC is a year-round, full-time position, compensated via regular payroll, with healthcare benefits, 401k, and with deductions for social security and income tax; and will serve as long as:

- the SED contract is in place
- their performance is deemed satisfactory.

The CTE TAC is operated by the Successful Practices Network (SPN) under a contract with the New York State Education Department (NYSED). Its purpose is to assist the NYSED in supporting the goal(s) that all learners have access to high-quality CTE opportunities that are equitably and deliberately integrated at all educational levels, to better prepare New York students for lifelong learning and career success. The current CTE TAC contract is in effect through January 2026.
