General Information
Self-Study--- Meeting

Self-Study is a requirement for initial Program Approval.

To accomplish this requirement a self-study meeting is held. The curriculum administrator gives a general introduction and lists the meeting objective—program improvement. The CTE teacher discusses all aspects of curriculum, academic integration, WBL opportunities and student projects. Participants add to the conversation, based on their involvement in the program.

Recommendations for program improvement are considered.

Minutes are taken and recommendations for program enhancement and improvement are noted.

Participants include
Principal
Curriculum Administrator
